

2018 HSCC Historic F3 Championship Calendar

The 1000cc F3 Historic Racing Association are very happy to publish our calendar for 2018. The HSCC Championship season kicks off at Donington Park on the 7th-8th of April with a standalone double-header. This year the Silverstone and Cadwell Park dates have been reversed and so 18th-19th of May takes us to Cadwell Park Wolds meeting with a standalone double-header for the Justin Haler Trophy, then on to the 16th-17th of June at the Silverstone International Trophy meeting for another standalone double-header.

Next up the screamers will return to Brands Hatch on the spectacular Grand Prix circuit at SuperPrix Legends meeting on the weekend of 30th June-1st July, with a standalone double-header incorporating the 7th running of the Nations Cup Revival.

August takes us to the Nostalgia weekend at Croft on the 4th-5th again a double-header but this time including Classic Racing Cars and then on to the to the bank holiday meeting which sees us return to Oulton Park and the Gold Cup meeting over the weekend of 25th-27th August with a standalone double-header.

October sees our return to what by general opinion is one of the best tracks for our cars Dijon-Prenois with another standalone double-header on the 12th-14th October. This year this meeting has a fantastic programme with Historic Formula 2 and Formula 1's.

The final race of the season is the Championship Finals meeting at Silverstone national circuit on the 21st of October.

There will be a non-championship race the Derek Bell Cup at the 76th Members' Meeting at Goodwood on the 17th-18th March.

It really doesn't get much better than that, so please make sure that you take full advantage of the opportunity to race at these fantastic circuits and are present in large numbers to ensure that we can continue to present exciting calendars in the future. Further details can be found on our calendar page - see you in 2018!

Date	Circuit	Race format
7th April	Donington Park	Q + R1
8th April		R2
